Proceedings of the Government of Mysore.

SERIAL No.

No. 2490-540—Fl. 242, dated Bangalore, 18th September 1900.

Order—On a perusal of statements of "Charges of a contingent nature" submitted by the Comptroller, the Government observe that the provision on this account in the Provincial Budget for the current official year, which amounts in the aggregate to Rs. 9,11,189, exceeds the average of the last three years by Rs. 1,06,000, and the last year's actuals by Rs. 91,000. As a very large deficit is anticipated during the current year and it is necessary to effect all practicable retrenchments in expenditure, extracts from the statements referred to will be forwarded to the Heads of the several Departments and other Officers concerned with the request that they will report whether the average expenditure of the last three years as reported by the Comptroller may not be entered in the current year's budget. Pending final orders they are requested to enforce the greatest possible economy as regards contingent expenses.

Sir,

In acknowledging receipt of your No 5557/73/529 dated 19th January 1901, I have the honor to inform you that I am of opinion that Rs 44111/- ~~as stated~~ are sufficient to meet the Contingent expenses of the Government Houses during the current Official year and therefore the correction to Rs 45000/- as shown by the Comptroller in the Statement appended to Govern-ment Proceedings No 2490-540/F1.242 dated 18th September 1900 seems unnecessary.

I have the honor to be,
